

My Colour Poem

Green is the colour of my shoe.

Green is an apple in my fruit bowl.

Green is the feeling of when I'm jealous.

Green is the colour of the leaves in the Trees.

Green smells like sweet grapes in my lunch box.

Green tastes like lime ice cream.

Green sounds like the wind in the leaves.

Green looks like a frog's skin.

Green feels slimy like a slug.

Green makes me feel sick.

Green is my cousin's favourite colour.
