Starlab Update

Due to unforeseen circumstances our Starlab incursion has been postponed. It has been rescheduled for Friday 24th August.

Parent Opinion Surveys

Notes for our Parent Opinion Survey were recently sent home.

We value the thoughts and opinions of our school community and would appreciate your contribution. The survey will assist us in continuing to provide excellence in education and well being across the school.

Bunnings Sausage Sizzle

We would like to thank small group of volunteers who assisted at the Bunnings Sausage Sizzle on July 1st. The orders were constant and at times it was difficult to keep up with demand. A nice profit to go towards your children's education.

Forest Lodge Camp Forest Lodge Camp Balance of Payments

Just a reminder that final payments for Forest Lodge Farm are due no later than Friday 7th September (Week 8 Term 3)

I know this seems miles away but time goes quickly so please make sure you are prepared to make the final payment before that date.

I am happy to accept smaller regular payments up to the final payment due date if that suits you. Camp needs to be paid in full before it commences.

Eftpos facilities are available at the office for your convenience.

Pauline

PUPIL FREE DAY

A reminder to parents and carers that Friday 10th August is a pupil free day and no child will be expected at school. Our teaching staff are attending a STEAM conference (Science, Technology, Engineering and Maths). They will be coming back to school with a lot of new ideas to share with your children.

Have a great week!

Kerryn
