Recent News

Hello Everyone,

Welcome to this week's Recent News.

Change of look

As you can see there has been a change of look to our website. I website host has updated their system and photos are, at this stage, a little tricky to put in. Hopefully we will rectify this soon.

Teacher Appreciation Day

Today is Teacher Appreciation Day. As a staff we would like to thank the lovely person who made us some beautiful chocolate brownies and left them in the staffroom for us. They were very much appreciated.

Change of Date

Unfortunately Carols and Family Fun Night was double booked. The new date will be Wednesday 12th December. See you all then.

Frankston Council News

[Draft Towards Zero Emissions Plan](#)

Frankston City Council has drafted its *Towards Zero Emissions Plan (2019-2023)* to help Council and our community avoid and reduce greenhouse gas emissions and their impact on climate change.

The draft *Towards Zero Emissions Plan* is now available for public feedback and council is encouraging the community to have their say.

Feedback received will be considered by Council in the adoption of the Plan.

This feedback is important as it will shape Council's future energy and greenhouse reduction priorities, as well as services for the community to reduce emissions.

An online feedback form and a copy of the draft *Towards Zero Emissions Plan* is available to download from Council's website at frankston.vic.gov.au. Council's website also provides information on additional options for providing feedback.

More dates for the calendar

Don't forget that Tuesday 6th November is Melbourne Cup Day and Monday 3rd December is Pupil Free Day. No children are to come to school on those days.

Have a great weekend.
