## Coles Sports for Schools is back!

Coles Sports for Schools is back. See a report written by our School Captains.

**Hello Everyone,**

We are happy to say that this year we are participating in the Coles Sports For School program for 2018. This program is to earn

sports gear for our school through getting vouchers from Coles. Through the program Coles have supplied over \$20 million worth of sports gear to over 7,500 school schools across Australia.

How the program works.

By spending \$10 at Coles, customers will receive one 'Sports For Schools' voucher. You can then bring that voucher into school and put it into the collection boxes at the office and the Mini Max. Every voucher that you bring into school will go towards our goal for the program which means that you have helped the school get more sports equipment.

Head down to Coles to collect the vouchers for our school.
