

KARINGAL HEIGHTS PRIMARY SCHOOL

Recent News Week Ending November 17

Hello Subscribers Name

Don't forget that Monday November 20 is a Pupil Free Day.

Welcome to this week's Recent News.

We are not closing

On Monday we had a visit from Frankston State Member of Parliament, Paul Edbrooke. He must read our Recent News as the first thing he asked me was where the rumours about us closing have been coming from. He spoke at assembly to the parents and children and told everyone that there has been absolutely NO discussion about our closure and if anyone suggests this tell them they are wrong. Hopefully the rumours will now be at an end.

McClelland college Grade 5 Teddy Bear Day

Our grade 5 children have been invited to attend McClelland College's Grade 5 Teddy Bear day on Friday December 8. Please have your permission forms returned by December 6.

Scholarships are now open for application

Scholarships for year 4 - 12 students are now available to apply for via the Department of Education. Please use the following link to have a look.

My father was a train driver and I was lucky to be awarded one of the scholarships when I was at school and it really assisted my family. You never know, you could be lucky. Please see Mrs Riley if you need more information.

Have a great weekend.
