

KARINGAL HEIGHTS PRIMARY SCHOOL

Recent News Week Ending October 13

Hello Subscribers Name

I would like to welcome our Prep 2018 families to our Recent News. Unfortunatley the Prep Transition Newsletter did not save to Recent News but please take a look on our website.

Congratulations Taliah

Today Taliah competed in the Zone Championships for Triple Jump and came first! Well done, Taliah. We wish you all the best in the Regionals next week.

Hats! Hats! Hats!

It is that time of the year when all of us need to be wearing our broad brimmed hat. From Monday, if your child is not wearing a hat then their recess and lunch will be spent under the shaded area near the stage. Thank you for your cooperation.

Thank you to McClelland

We would like to thank McClelland Secondary College for allowing their School Based Apprenticeship Parks and Garden group for working at our school this year. They have worked hard all year in building our new vegetable garden planter boxes, making garden beds for kiwi fruit and passionfruit and digging a new potato patch. They have also helped make our gardens look fantastic. We receive positive comments on our grounds all the time. We wish you all the best of luck for the future.

McClelland College MAP Performance

Our grade 3 - 6 children have been asked if they would like to attend a performance at McClelland College put on by the MAP group. Of course we said yet. It will be on Wednesday, October 18. The children will leave at 12.30pm and return at 2.30pm. As this is a local walking excursion a permission form will not be needed. Full school uniform and hats must be worn.
