

KARINGAL HEIGHTS PRIMARY SCHOOL

Week Ending October 27

Hello **Subscribers Name** and welcome to this week's Recent News.

Buddies

Next week begins our buddy program visits to East Karingal Pre School. Four children from grade 4 will visit the Pre School with Miss Longino. These visits will take place on different Monday mornings during term 4. As this is a walking excursion, permission forms have already been signed.

Will you be here next year?

It is at this time of the year that we begin to look at staffing and grade numbers. It is important to let us know if your child will not be attending Karingal Heights Primary School next year. Please contact the office if you will be leaving us.

We are a 'lifting' school

It was fantastic to hear from our SEIL (Senior Education Improvement Leader), that Karingal Heights is considered to be a 'stretching' school. This means that our results are lifting in many areas across the school in many different areas. We as a staff and school community are extremely pleased with this as we all work hard to improve the outcomes of all our students. As we continually say, 'We may be a small school but we are a great school'.

Pupil Free Day

A reminder that Monday, November 20th is a Pupil Free Day and children will not be required at school.

Eye Screening

On Tuesday, One Sight came to our school to do some eye screening on our Prep - 3 children. Here is what they wrote about our children; 'Thank you for supporting the OneSight vision screening yesterday. The children were a pleasure to work with and the school captains went out of their way to help.' We are very proud of our children.

Policies

A number of policies were ratified at last week's School Council meeting. Most of these policies can be found on our school's website under the About Us tab.

Have a great weekend and enjoy this beautiful weather while it lasts.
