

WORLD OF MATHS ROADSHOW Incursion

As part of this semester's work, we have proposed World of Maths Roadshow to visit our school. The World of Maths Roadshow is an ideal opportunity for students to see how Maths is applied to some real life situations.

Students will gain insight into problem solving, working in teams, and various Maths principles, which are part of their curriculum this term.

It is a highly engaging session, which will show the children that Maths can be fun!
