Dear parent/guardian,

Karingal heights Primary School is looking forward to another great year of teaching and learning and would like to advise you of Karingal Heights Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

In 2023, the school will use Equity Funding received by the Government to support all families within the school by covering the cost of the Essential Student Learning Items. Therefore, there will be no charge to students for the Student Booklist. For further information on the Department's Parent Payments Policy please see a one-page overview at the end of this document.

Yours sincerely,

Kerryn Riley
